5	PR O D	PLANT NAME	PHOTO	SIZE	Quantity Ordered	AVAIL	PRICE	ZONE	PLANT DESCRIPTION
15		Acer shirasawanum 'Aureum' - Full Moon Maple		#1			\$8.00	5 to 7	Golden full moon maple. Nice bright yellow becoming yellow-green. Fall color is nice purples/oranges. Vase habit 7-10m.
16	a	Acer shirasawanum 'Autumn Moon'		#1		0	\$8.00	5 to 7	Light orange in sun with yellow-green in shade. Fall color also very nice with rusty orange developing with reds. 5-8m.
17		Acer palmatum 'Beni kawa'		#1			\$6.00	5,6 (7-8)	Similar to Sango kaku with a deeper red bark color and a later spring leaf emergenc. Smaller habit up to 3m.
18		Acer palmatum 'Cynthias Crown Jewel'		#1		0	\$8.00	5,6 (7-8)	Green leaves with pink serrated margins in spring. A small compact tree. Fall colors are reds/oranges. 2-3m
19	a	Acer palmatum 'Krazy Krinkle'		#1		15	\$6.00	5,6 (7-8)	Dark green krinkled leaves with short nodes. Similar to Shishigishira with a more aggressive and growth-less compact. Orange fall color. Vase habit. 5-8m.
20		Acer circinatum 'Monroe'		#1			\$7.00	5 to 9	Bold green colors on deeply dissected and large leaves. Looks like Acontifolium though not as large a leaf and richer green. Forms upright bush. Nice fall color. 3-4m.
21	a	Acer palmatum 'Sango kaku' - Coral Bark Maple		#1		0	\$6.00	5,6 (7-8)	Bright green color in the spring on small leaves becoming more yellow and then gold in the fall. Brilliant red coral color bark in winter. 5-8m. Name means: coral tower.
22	a	Acer palmatum 'Shindeshojo' -New Deshojo		#1		0	\$7.00	5,6 (7-8)	Bright pink new growth is the feature here. Branches are a maroon color. Leaves become gradually green in summer and red in fall. Shrub habit. 3m. Good for bonsia . Name means: maiden cherry.
23	a	Acer palmatum 'Shishigishira' - Lions Head Maple		#1		0	\$7.00	5,6 (7-8)	Dark green small leaves that grow off short nodes. It has a very dense habit with v-shaped look. The color in fall is nice gold. 5-6m. Good for bonsia . Name means: lions head.
24	a	Acer palmatum 'Seiryu'		#1		100	\$6.00	5,6 (7-8)	Light green dissected leaves with graceful appearance. Fall color is nice oranges-purples. Grows fast and broad 5-7m (3-4m wide). Name means: blue green dragon.
25	a	Acer palmatum 'Tana'		#1		0	\$7.00	5,6 (7-8)	Leaves are yellow-green tipped with purple in spring. In the summer green color sets in. Fall color is nice yellow/oranges. Leaf is somewhat concave with star shape. Round habit. 5-6m. Name means: shelves.

	A	B	C	D	E	F	G	H	I
5	PR O D	PLANT NAME	PHOTO	SIZE	Quantity Ordered	AVAIL	PRICE	ZONE	PLANT DESCRIPTION
26	a	Acer palmatum 'Okushimo'		#1		0	\$6.00	5,6 (7-8)	Green colored leaves are distinctively burnt looking in shape. Each lobe curled in though mainaining a nice color. Fall color is yellow/orange. V-shaped habit. 5-8m. Good for bonsia
27	a	Acer palmatum 'Omureama'		#1		0	\$6.00	5,6 (7-8)	
28	a	Acer palmatum 'Osakazuki'		#1		60	\$6.00	5,6 (7-8)	Green colored leaf with narow tip. Brilliant crimson fall color that is unmatched among maples. Round habit 5-8m. Name means: leaf like a saki cup.
29		Acer palmatum 'Otome Zakuru'		#1			\$7.00	5,6 (7-8)	Bright pink and orange leaves in spring similar to shindeshojo. Color becomes maroon to green with variation of color. Leaves have wrinkled look. Dense habit. 3-4m. Good for bonsia . Name means: new bright red leaf
30	a	Acer palmatum 'Scolopendrifolium'		#1		0	\$6.00	5,6 (7-8)	Light green narrow leaf. Graceful branching on small growing tree. Fall color is orange-reds. 3-5m.
31	a	Acer palmatum 'Ueno Homar'		#1		25	\$7.00	5,6 (7-8)	Orange-yellow color in spring is eye catching. Among the earliest to emerge. Some red on margins create a nice effect. Deeply divided leaves turn green with o/r fall color. 4-5m. Name means: mount Euno.
32		Acer palmatum 'Yellow Bird'		#1		0	\$7.00	5,6 (7-8)	Bright yellow green foliage in spring with feathery looking layered leaves that give a soft apearance. Leaves become green and then bright gold and orange in fall. 3-4m.
33		UPRIGHT RED							
34		Acer palmatum 'Atrolineare'		#1		25	\$6.00	5,6 (7-8)	Brilliant red with very narrow leaves (linearalobum group). Smaller than the similar Red Pygme. Up to 4m.
35	##	Acer palmatum 'Bloodgood'		#1		200	\$6.00	5,6 (7-8)	Dark purple-red color that holds late into summer. Develops nice full look, nice fruit, good crimson fall color. 7-10m
36		Acer palmatum 'Burgundy Lace'		#1		50	\$6.00	5,6 (7-8)	Burgundy red color in spring on deeply divided leaves with subtle teeth. Turns to bronze in summer. A small spreading tree. 5-6m.

	A	B	C	D	E	F	G	H	I
5	PR O D	PLANT NAME	PHOTO	SIZE	Quantity Ordered	AVAIL	PRICE	ZONE	PLANT DESCRIPTION
37		Acer palmatum 'Beni otake'		#1		0	\$7.00	5,6 (7-8)	Purple red colored linearlobum maple. Holds color through summer. Leaves slightly more narrow than 'Atrolineare.' Fall color is noticable orange. 5-8m. Name means: big red bamboo.
38		Acer palmatum 'Emperor' I		#1		200	\$6.00	5,6 (7-8)	Purple red color that hold better than most into the summer. More vigorous than bloodgood and leafs 2wks later. Narrow lobes and more open habit help distinguish from 'Bloodgood'. 8-10m.
39		Acer palmatum 'Fireglow'		#1		0	\$6.00	5,6 (7-8)	Orange red color in the spring. Changes to a dull green. Margins are teetted. Stems are noticably green. Habit is a more narrow upright. 5-8m
40		Acer palmatum 'Inazuma'		#1			\$6.00	5,6 (7-8)	Deep purple red with green veins in spring. The reds turn to green and then bright red in fall. Round shrub habit. 8-10m. Name means: the thunderer.
41		Acer palmatum 'Johin'		#1			\$6.00	5,6 (7-8)	Copper red leaves with yellow veining. Similar to Trompenberg but not as divided or convexed. 5-8m. Name means: elegant.
42		Acer palmatum 'Kinran'		#1		0	\$6.00	5,6 (7-8)	Bronze red in spring with yellow veining. Color becomes deep green and then dark red. Fall color is a brilliant gold. Round bushy habit. 3m. Name means: woven with golden strings.
43		Acer palmatum 'Moonfire'		#1			\$6.00	5,6 (7-8)	Deep purple red forms a compact round tree that holds color well into the summer. Mature leaves apear concave versus flat like most other reds. Nice crimson color in fall. 5-7m.
44		Acer palmatum 'Nuresagi'		#1			\$6.00	5,6 (7-8)	Purple red color on long slender leaves that seem to radiate (not as much as trompenburg). Holds color well into the summer rivaling bloodgood and Emperor. 5-6m. Name means: wet heron.
45		Acer palmatum 'Oshio beni'		#1			\$6.00	5,6 (7-8)	Bright orange color in spring on large leaves. Forms round spreading upright. 6-8m. Name means: large red tide.
46		Acer palmatum 'Okagami'		#1			\$6.00	5,6 (7-8)	Purple red leaves in spring becoming shiny black red in summer. Color lasts late into summer. Very similar to 'Bloodgood' in color and habit. 4-5m. Name means: mirror.
47		Acer palmatum 'Pixie'		#1		0	\$7.00	5,6 (7-8)	Purple red leaves hold into summer months before becoming a green-purple. Leaves are narrow and nodes are short. Semi-dwarf compact habit. 2-3m.

	A	B	C	D	E	F	G	H	I
5	PR O D	PLANT NAME	PHOTO	SIZE	Quantity Ordered	AVAIL	PRICE	ZONE	PLANT DESCRIPTION
48		Acer palmatum 'Ruby Ridge'		#1		0	\$7.00	5,6 (7-8)	
49		Acer palmatum 'Beni gasa'		#1		25	\$7.00	5,6 (7-8)	Purple red leaves holding color well into summer. Lobes deeply cut on pendulous branches with noticable yellow-green stems. Habit is upright and spreading. Nice scarlet fall color. Some confusion exist for this variety. 2-5m.
50		Acer palmatum 'Suminigashi'		#1		0	\$6.00	5,6 (7-8)	Bright purple red leaves on very narrow toothed lobes. Color becomes black red in summer and then green. Vigorous growth. 4-6m.
51		Acer palmatum 'Red Sentinel'		#1		0	\$7.00	5,6 (7-8)	Purple red leaves hold into summer on this maple. Stems are very dark purple. Habit is compact and narrow. Branches grow almost entirely straight up. 3-5m.
52		Acer palmatum 'Trompenberg'		#1		85	\$6.00	5,6 (7-8)	Dark purple color that has glossy and very radiated look. Lobes are narrow and toothed. Holds color well into summer. Fall color is crimson. 6-8m.
53		Acer palmatum 'Yasemin'		#1		25	\$6.00	5,6 (7-8)	Dark purple leaf similar to Trompenburg but not as radiated and darker with wider lobes. 8-10m.
54		Acer palmatum 'Yezo nishika'		#1		0	\$6.00	5,6 (7-8)	Reddish purple spring color becoming orange red and then bronze as the summer months set in. Fall color is nice scarlet. Lobes are narrow and toothed. 6-7m.
55		Acer palmatum 'Wattez'		#1			\$6.00	5,6 (7-8)	Brick red spring color on star shaped leaves. Color changes to deeper red to bronze and eventually green. Forms shrubby compact tree. 3-4m.
56		VARIEGATED							
57		Acer palmatum 'Ariadne'		#1		0	\$7.00	5,6 (7-8)	Small variegated plant has a marbled look of green veining on orange-pink leaf. like other shigitatsu. Red fruit contrasts nice with foliage. Up to 3m.
58		Acer palmatum 'Asahi Zuru'		#1			\$6.00	5,6 (7-8)	Similar to 'Oridono nishika'. More white variegation against rich green leaves. Stalks are green and not variegated. Habit is round. 5-8m. Name means: dark swan.

	A	B	C	D	E	F	G	H	I
5	PR O D	PLANT NAME	PHOTO	SIZE	Quantity Ordered	AVAIL	PRICE	ZONE	PLANT DESCRIPTION
59		Acer palmatum 'Butterfly'		#1		0	\$7.00	5,6 (7-8)	Creamy-white variegation on small leaves. A hue of pink on margins late in season. Vase habit. 5-6m
60		Acer palmatum 'Beni shigitatsu sawa'		#1		20	\$7.00	5,6 (7-8)	Creamy red tinged form of the 'Shigitatsu sawa'. Pink marbled look with green viens. Lots of variation in color depending on sun/shade. Bushy habit wider than tall. 2-4m. Name means: red snipe flying up from swamp
61		Acer palmatum 'First Ghost'		#1		15	\$7.00	5,6 (7-8)	Soft creamy white leaves with green veining. A light red tinged when first emerging. Typical ghost look. 3-4m.
62		Acer palmatum 'Goshiki Shidare'		#1			\$7.00	5,6 (7-8)	Pink and white variegation on delicate and small dissected leaves. Weeping habit. Needs protection. 1-3m. Name means: cascading multi-color.
63		Acer palmatum 'Higasayama'		#1		45	\$7.00	5,6 (7-8)	Distinct pink margins with green and white marbled interior on small stiff leaf. Leaf has toothy and crinkly look. The habit is vase-like. 5-8m. Good for bonsia . Name means: The umbrella mountain.
64		Acer palmatum 'Kasagiyama'		#1		0	\$7.00	5,6 (7-8)	Brick red color leaf with purple veining. Fruit is a feature. Forms a small shrubby tree up to 7m. Name means: overhanging mountain.
65		Acer palmatum 'Kagiri nishika'		#1		0	\$6.00	5,6 (7-8)	Similar to butterfly but with larger leaves and faster growth. Also pink margins against blue-green interior. Vase habit 5-8m.
66		Acer palmatum 'Oridono nishika'		#1			\$6.00	5,6 (7-8)	Pink new growth including stalks. Leaves are patchy variations of pink/white. A strong reliable tree in group. 5-6m. Name means: richly colored fabric of the king.
67		Acer palmatum 'Sagara nishika'		#1		0	\$7.00	5,6 (7-8)	Green small leaves speckled with bright yellow pixie dust like variegation on its margins. Grows to form small bushy tree. Up to 3m.
68		Acer palmatum 'Ukigumo'		#1		0	\$7.00	5,6 (7-8)	White with speckles of green and hues of pink. Bushy habit. Strong in sun compared to other variegated varieties. 3m. Name means: floating clouds.
69		Acer palmatum 'Shirazz'		#1		0	\$7.00	5,6 (7-8)	Bright pink against purple interior leaf. During summer interior becomes green. Fall color is nice scarlet. 3-5m.

	A	B	C	D	E	F	G	H	I
5	PR O D	PLANT NAME	PHOTO	SIZE	Quantity Ordered	AVAIL	PRICE	ZONE	PLANT DESCRIPTION
70		Acer palmatum 'Strawberries n Cream'		#1		0	\$7.00	5,6 (7-8)	Pink cream color in spring with noticable viens of purple. Small upright with broad weeping habit. 2-3m.
71		Acer palmatum 'Purple Ghost'		#1		100	\$6.00	5,6 (7-8)	Pink new growth against purple vining. Leaves become nice dark red and then green red. Handles heat well. Has typical ghost leaf look. 3-4m.
72		WEeping RED							
73		Acer palmatum 'Crimson Queen'		#1		0	\$6.00	5,6 (7-8)	Good persistant scarlet color that holds well into summer. Habit is very mushroom-like and uniform. 3-4m.
74		Acer palmatum 'Everred' (aka 'Nigrum')		#1		0	\$6.00	5,6 (7-8)	Dark red leaf with characteristic silvery pubescence on leaves as they unfold. Habit is mounding with a wavy irregular apearance. Bronzing out in late summer with bright red fall color. 4-5m. Name means: finely cut dark leaf
75		Acer palmatum 'Garnet'		#1		50	\$6.00	5,6 (7-8)	
76		Acer palmatum 'Inabe Shidare'		#1		0	\$6.00	5,6 (7-8)	Dark purple red leaves are small and cascade. Color holds well into summer. Some crowning occurs on this variety. Has whitish tinge on stem like Tamukeyama. 2-3m. Name means: cascading rice like leaf.
77		Acer palmatum 'Orangeola'		#1		0	\$6.00	5,6 (7-8)	Orange red leaf color that become a dark red green. New growth emerges on this vigorous maple to create two tone color look. Fiery red in fall. Hard cascading habit. 2-3m.
78		Acer palmatum 'Red Dragon'		#1		0	\$6.00	5,6 (7-8)	Cherry red leaves with dark purple stems. Holds color well into the summer. Habit is like a flat umbrella. 1-2m. Good for bonsia
79		Acer palmatum 'Red Filigree Lace'		#1			\$8.00	5,6 (7-8)	Very fine leaves with deep purple red color. Very delicate looking. Fall color is bright crimson. Grows at slower rate than most dissectum. 1-2m.
80		Acer palmatum 'Tamukeyama'		#1		0	\$6.00	5,6 (7-8)	Purple red with large leaves. Not as deeply divided as crimson queen and habit more irregular. Vigorous with an slightly upright habit in growth. holds color well into summer. 3-4m. Name means: mount Tamukeyama
